Speaker   The Shangri-La Hotel is in Toronto. It has 66 floors and 200 rooms. It is popular with business travelers because it is located in the city's business district.
Inside, this Canadian hotel has a Chinese feel. There is Chinese art in the guest rooms and also in the public areas. There are beautiful paintings and vases. The workers at the hotel wear uniforms that look like the Chinese art. They were the idea of Sunny Fong, a fashion designer who lives and works in Toronto. The female staff in the hotel reception area wear blue and white dresses that look like the Chinese vases. The waitresses in the hotel bar have black and gold dresses that look like the Chinese paintings. The beautiful uniforms are not for special occasions – the hotel employees wear them every day. In hotels, it is very important that the staff is always comfortable. Each worker is given three uniforms, but they can choose their own shoes.

Kyle   Well… the sign says it was painted in 1850. A picture of the artist's garden in Paris.
Bianca   That's interesting. I really like all the greens and blues.
